1. Product Description:

MARMOCLEANER-NATURA is a specially formulated cement residue remover designed for the safe and effective cleaning of natural stone surfaces for routine post-installation cleaning as well as restoration of stone surfaces affected by cementitious contaminants. Its powerful yet controlled cleaning action efficiently removes cement residues, grout films, mortar splashes, lime deposits, and construction dirt without affecting the natural texture or appearance of the stone.

TECHNICAL DATA SHEET

Product Name: MARMOCLEANER NATURA

2. Product Features:

- Specially formulated for removing cement residues from natural stone.
- Powerful cleaning action with controlled acid strength.
- Removes grout haze, mortar splashes, lime deposits, and construction dirt.
- Preserves the natural texture and appearance of stone surfaces.
- Suitable for post-construction and renovation cleaning.
- Deep cleaning action without excessive mechanical scrubbing.
- Low-foam formulation for easy rinsing.
- Suitable for professional and commercial applications.
- Fast-acting and easy to apply.

3. Applications:

- Removal of dirt and grease from natural stones like marble, granite, and limestone.
- Cleaning cement residues, cement films, cement slurry, mortar splashes, grout haze, lime deposits and post- installation residues.
- Safe for use on most substrates, including porcelain, ceramic, stones and concrete.

TECHNICAL DATA SHEET

Product Name: MARMOCLEANER NATURA

4. Application Guidelines:

- **Preparation:** Remove loose dust, debris, and surface contaminants. Pre-wet highly porous surfaces with clean water if necessary.
- **Dilution:**

Heavy Cement Residues: Apply undiluted.

Moderate Deposits: Dilute 1:1 with clean water.

Light Cement Film: Dilute 1:3 with clean water.

- **Application:** Apply evenly using a brush, sponge, mop, or acid-resistant sprayer, ensuring complete coverage of the affected area.
- **Dwell Time:** Allow the product to remain on the surface for **3–10 minutes**, depending on the thickness of the cement residue. Do not allow the product to dry on the surface.

- **Removal:** Agitate gently using a nylon brush where required.
- **Rinse:** Rinse thoroughly with plenty of clean water until all cleaning residues have been removed. Repeat the treatment if necessary for heavily contaminated areas.

5. Product Specifications:

- **Appearance:** Clear liquid
- **Packaging:** 1L Bottle and 5L Can
- **Density:** 1.00 ± 0.05 g/cm³
- **Viscosity:** Low viscosity
- **pH Level:** 2.5-3.5
- **Flash Point:** >70°C
- **Odour:** Mild Acidic
- **VOC Content:** Low
- **Solubility in Water:** Completely miscible in water
- **Shelf Life:** 12 months in original, unopened packaging
- **Application Temperature:** 5°C - 35°C (Ambient and Surface Temperature)
- **Coverage: 8**-15 m² per litre, depending on surface porosity
- **Dwell Time:** 3-10 minutes (may vary based on thickness)
- **Cleaning Method:** Use water and a microfiber cloth after application

6.DO'S & DON'TS

- **DO'S**
- Do perform a compatibility test before full application.
- Do dilute the product according to the level of cement contamination.
- Do pre-wet highly absorbent stone surfaces when necessary.
- Do use nylon brushes or soft scrubbing pads for stubborn cement deposits.
- Do rinse the surface thoroughly with clean water after cleaning.
- Do repeat the treatment for heavy cement build-up if required.
- Do wear suitable gloves and eye protection during application.
- Do store the container tightly closed after use.

- **DON'T'S**
- Do not allow the product to dry on the surface.
- Do not use on acid-sensitive polished marble, limestone, travertine, onyx, or similar calcium-based stones without prior testing.
- Do not mix with alkaline cleaners, bleach, ammonia, or other chemicals.
- Do not use steel wool, wire brushes, or abrasive metal tools.
- Do not apply under direct sunlight or on overheated surfaces.
- Do not exceed the recommended dwell time.
- Do not use the product for routine daily cleaning.

7.Storage and Handling:

- **Storage:** Store in a cool, dry place (5°C - 30°C), away from direct sunlight and heat. Keep the container tightly sealed.
- **Handling:** Use in a ventilated area. Wear gloves and eye protection. Avoid skin and eye contact.

Health & Safety:

- **Protective Gear:** Always wear gloves, eye protection, and protective clothing during use to avoid skin and eye contact.
- **Ventilation:** Use in a well-ventilated area to avoid inhalation of vapors.
- **Skin Contact:** Wash immediately with soap and water.
- **Eye Contact:** Rinse thoroughly with water and seek medical advice if irritation persists.
- **Inhalation:** Move to fresh air if feeling unwell, seek medical help if symptoms continue.
- **Ingestion:** Do not induce vomiting. Seek medical attention immediately.
- **Disposal:** Follow local regulations for the safe disposal of chemical products.
